Plaintiff Bayou City Waterkeeper's Notice of Related Litigation

Pursuant to Local Rule 5.2, Plaintiff Bayou City Waterkeeper respectfully submits this Notice to advise the Court of the following related current litigation and of directly affected non-parties.

*United States of America, et al. v. City of Houston, Texas*, 4:18-CV-3368 (S.D. Tex.), was filed on September 20, 2018. Plaintiffs, United States of America and the State of Texas, are directly affected non-parties. The case is assigned to Judge Ewing Werlein, Jr. The case is currently stayed pending settlement negotiations.

**Summary of Related Nature of the Litigation**

These cases are related because they present common questions of law and fact and arise from the same or substantially similar events. Both cases contend that the City of Houston violated the Clean Water Act and its Texas Pollutant Discharge Elimination System ("TPDES") permits by discharging untreated wastewater into and adjacent to area waters over the course of several years.
